

Want to invest in NPS? Open your NPS account online; Here's how to do it

● **Financial Express**

- Log on to the NPS Trust website: <https://www.npstrust.org.in/>, and click on 'I want to open an NPS account' under the service tab.
- select your choice of CRA between NSDL or KARVY.
- It shows the charges you will be charged under each CRA: PRA opening charges, annual PRA Maintenance cost per account, and a charge per transaction.
- With either of the option, you will be taken to their respective eNPS website. Click on the NPS tab to proceed. Click on registration option/open new NPS account online option.
- You then need to enter your PAN, choose the type of account you want to open, from the option Tier I and Tier II, or Tier I only account.
- You will be taken to the registration form wherein you have to fill in your personal details, contact details, bank details.
- Next, you will be asked to choose an investment mode, from auto mode, and active mode.
- You need to put in your nomination details and upload the necessary documents along with your photo and proceed to the payment details.
- Once you are done with that, click on submit to generate the acknowledgment number. The minimum amount is set at Rs 500 for Tier I and Rs 1,000 for Tier II accounts.
- After this, the acknowledge ID will be generated and your registration details will be submitted.
- Once the payment is completed, your PRAN number (Permanent Retirement Account Number) will be generated.
- After it is allotted, you can select the 'eSign' option in the eSign/Print and Courier page. Your process is now completed.
