

SEBI RESTRICTS OVERSEAS INVESTMENTS BY MUTUAL FUNDS

- Some mutual funds have stopped subscriptions to **international funds**.
- Funds that directly **buy overseas stocks, bonds, or MFs** are not allowing fresh inflows as these funds may not be able to **increase overseas holdings**
- The impact is only on fresh investments in the fund . **Investments already made are not affected.**
- **The SIP amount cannot be changed**
- **Redemptions and Systematic Withdrawals** are allowed
- Funds that invest in **overseas ETFs** are open for subscription in lumpsum and SIP
